

REMARKS

In view of the Interview Summary of the telephonic interview of September 23, 2004 with Applicant's representative, Sumeet Magoon, Applicant responds as follows.

Applicant disagrees with the Interview Summary statement that the "specification only contains rudimentary outlines of the invention." Applicant submits that the specification of the present invention is sufficient to support the pending claims in accordance with 35 U.S.C. § 112. Moreover, Applicant reiterates the arguments presented during the telephonic interview and as well as the additional arguments presented in the response filed September 30, 2004 and specifically traverses the Examiner's statement that the prior art teaches claim elements. Based on Applicant's arguments, Applicant respectfully submits that the pending claims are in condition for allowance over the applied art.

Applicant respectfully requests reconsideration and allowance of the present application.

CONCLUSION

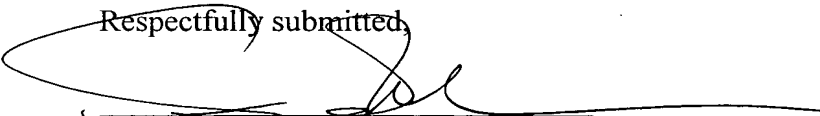

In view of the foregoing remarks, favorable reconsideration of all pending claims is requested. Applicant respectfully submits that this application is in condition for allowance and requests that a notice of allowance be issued.

Should the Examiner believe that anything further is required to expedite the prosecution of this application or further clarify the issues, the Examiner is requested to contact Applicant's attorney at the telephone number listed below.

It is believed that no additional fees are due in connection with this supplemental response. However, should additional fees be required in order to consider this supplemental response, the commissioner is hereby authorized to charge any such fees to **Deposit Account 08-2025**.

Date: October 19, 2004
